

# Skyline Solar CCTV

## Solar Power for CCTV

24x7 operations for remote places

- 24x7 solar power for CCTV
- Low maintenance system
- Rugged design for all weather type
- Continuous secure energy supply for CCTV
- Ideal for no-grid and remote locations

Model	SL-Solar 25W	SL-Solar 50W
Capacity (24x7)	25 W	50 W
can connect	2 CCTVs	4CCTVs
Solar panel rating	150W	300W
Battery	180AH	180AH x 2
Output voltage	12 VDC	12 VDC
Output current max	2.1A	4.2A
Autonomy	3 rainy days	

Specification subject to change without prior intimation
